

Dear Community Leader,

On Saturday, May 31st, 2025 Reinvented Inc. will play host to over a hundred of guests at our second ever **STEM Fashion Show**. The event will take place at Lucky Cat Labs in Downtown Los Angeles and will feature custom designed looks from your favorite engineers, designers, and brands. Attendees will have the opportunity to watch our models walk the runway in STEM-themed attire and meet them and the designers after the show. You'll also get to see the impact of our mission and mix and mingle with the amazing women in STEM who we celebrate and empower through our work.

We recognize that many of your staff and clients deeply value the need for greater diversity and representation in STEM fields. From sharing the stories and experiences of groundbreaking ladies in the field to reporting the latest news in science and technology, we are working to pave the way for future generations of women to become leading pioneers of STEM. At our fashion show we hope to raise \$35,000 to continue our work creating the female STEM leaders of tomorrow.

You can help us achieve our goal by supporting this exciting event. We anticipate nearly 150 attendees and substantial marketing and media exposure. This year's sponsors will **benefit from over 1 Million media impressions** through print, online, and social media outlets via both Reinvented's accounts and those of the special guests confirmed to attend our event. Your tax-deductible sponsorship entitles you to many choices of benefits which include recognition in our marketing materials and ticket packages you can use for your important clients or treat your staff to a memorable night out.

The amount you give is completely up to you. We hope you will consider becoming a sponsor in one of our five featured opportunities:

- Student Competition Sponsor - \$5,000
- Platinum Sponsor - \$5,000
- Gold Sponsor - \$2,500
- Silver Sponsor - \$1,000
- Bronze Sponsor - \$500

More information about the benefits of each level is enclosed.

If you are interested in becoming a sponsor, please contact us so that we can find the right level of support for you. Feel free to call or email with any additional questions. Thank you for your time.
